Count on plenty of amazing short films from all over the world.

We are proud to present the NYC premiere of **"Chasing Ghosts"**, the critically acclaimed documentary about 80's arcade games. The film has been a fan favorite on the festival circuit and was an Official Selection at Sundance.

We have another NYC premiere lined up - the award-winning documentary, **"Strictly Background"**. This charming and heartfelt film documents the lives of 10 real life movie extras trying to make it big in Hollywood.
