Tulsa, OK November 5th, 2008 *The Tulsa United Film Festival*, bringing art and creativity together to create a united film community, will be held at the historic Circle Cinema on December 5th - 7th. The festival's focus is to bring together talented filmmakers from diverse backgrounds, thus creating a "United" showcase of creative energy and talent. This is a film festival for everyone, a place where art and community converge.

A Tulsa native filmmaker, Jason Connell and his production company **Connell Creations** founded *Tulsa United Film Festival* 6 years ago and recently released their first feature length film "*Strictly Background*." This heartfelt and compelling award-winning documentary is based on the trials of 10 movie extras trying to make it big in Hollywood. Now living in Hollywood, Connell has expanded *the United Film Festivals* into *Los Angeles & New York* in 2007 and is adding *San Francisco, Chicago & London* in 2009. With this growth the rich tradition of screening humorous, touching and sometimes provocative films is reaching even more people than ever. This is one film festival you won't want to miss!
